CASE NO.: V 109-23
NAME OF APPLICANT: Mitchell Sign Company/Kim Watts
SITE ADDRESS: 2200 Tower Drive, Monroe, LA 71201
COUNCIL DISTRICT: 2

REQUEST: The applicant is requesting approval to construct a seven (7) feet eight (8) inches high monument signs that would be above the six (6) feet height stipulated by the ordinance. The applicant is requesting a one (1) foot eight (8) inches variance. The property is in the B-3 zone (General Business/Commercial) District, at 2200 Tower Drive, Monroe, Louisiana 71201.

SIZE OF PROPERTY: 1.069 Acres (more or less)

PRESENT ZONING: B-3 zone (General Business/Commercial) District

PRESENT USE: Office Building

MOST NEARLY BOUNDED BY (STREETS): North of Youngs Bayou; South of and fronting Tower Dr; East of Lamy Ln; and West of Oliver Rd.

SURROUNDING LAND USES: The surrounding land use is a predominantly zoned B-3 (General Business/Commercial) District with some Residential dwellings to the northwest.

ADVERSE INFLUENCES: Deviation from what is stipulated by the ordinance as it relates to monument sign heights.

POSITIVE INFLUENCES: Increased visibility for the business.

COMMENTS/ RECOMMENDATIONS: The sign will not be within the visibility triangle.

OPTIONS: Approve the applicant's request, as presented.

Approve the applicant's request with conditions or amendments.

Deny the applicant's request, as presented.

As with all requests, the applicants need to provide evidence of specific hardship, one that is not based on financial considerations, to warrant the request applied for

and the relief requested. In addition, it must be noted that the request is the minimum necessary to accomplish a reasonable use of the property.

PLEASE NOTE THE FOLLOWING EIGHT (8) CONDITIONS IN WHICH A VARIANCE IS TO BE CONSIDERED:

The Board may grant a variance only if it makes findings that the following conditions, insofar as applicable, have been satisfied:

1. Special conditions and circumstances exist which are peculiar to the land, structure, or building involved and which are not applicable to other lands, structures, or buildings in the same zoning district.
2. Literal interpretation of the provisions of this Ordinance would deprive the applicant of rights commonly enjoyed by other properties in the same district under the terms of this Ordinance.
3. The special conditions and circumstances do not result from the actions of the applicant or any other person who may have or had interest in the property.
4. Granting the variance requested will not confer on the applicant any special privilege that is denied by this Ordinance to other lands, structures, or buildings in the same district or similarly situated.
5. The variance, if granted, will not alter the essential character of the locality.
6. Strict adherence to the regulation for the property would result in a demonstrable hardship upon the owner, as distinguished from mere inconvenience.
7. The purpose of the variance is not based exclusively upon a desire to serve the convenience or profit of the property owner or other interested party(s).
8. The proposed variance will not impair an adequate supply of light and air to adjacent property, or increase substantially the congestion in the public street, or increase the danger of fire, or endanger the public safety.
