CASE NO: REV 100-24
NAME OF APPLICANT: **S.E. Huey Company/Choice Brands Distribution Center**
ADDRESS OF PROPERTY: Revocation of a portion of Grammont Street (located southwest of S. Stanley Avenue to its' dead end at the drainage canal)
COUNCIL DISTRICT: 3

REQUEST: This is a request to revoke a portion of Grammont Street, located southwest of South Stanley Avenue to its' dead end at the drainage canal.

PURPOSE OF REQUEST: To revoke a portion of Grammont Street

SIZE OF PROPERTY: 60' x 201.11' to 244.89' long street (right-of-way) (0.307 acres to be revoked)

PRESENT ZONING: B-3 (General Business/Commercial) District

PRESENT USE: Public right-of-way

MOST NEARLY BOUNDED BY (STREETS): North of DeSiard Street, south of Washington Street, east of North 14th Street and west of North 18th Street

SURROUNDING LAND USES: The surrounding land use consists of Choice Brands Distribution Center, the Warhawks Water Tower along with a couple of vacant warehouse buildings.

ADVERSE INFLUENCES:

POSITIVE INFLUENCES:

**COMMENTS/
RECOMMENDATIONS:** The applicant is requesting to revoke a portion of Grammont Street, located between north of White Street, south of South Stanley Avenue and east of Powell Avenue. Choice Brands is embarking on a multi-million-dollar headquarters expansion. This project will expand their warehouse space and exterior hardstand significantly. The revocation of the westernmost portion of Grammont Street and

subsequent purchase of the city's half of the right-of-way would all for additional truck maneuverability on their property.

Traffic in this area is minimal, since Grammont Street is a dead-end street, and a portion of South Stanley Avenue (around the Warhawk Water Tower) is blocked off. The closure was due to previous vehicular impacts to the water tower.

Utility reviews have been sent to corresponding agencies, should easements need to be retained within this right-of-way.

OPTIONS:

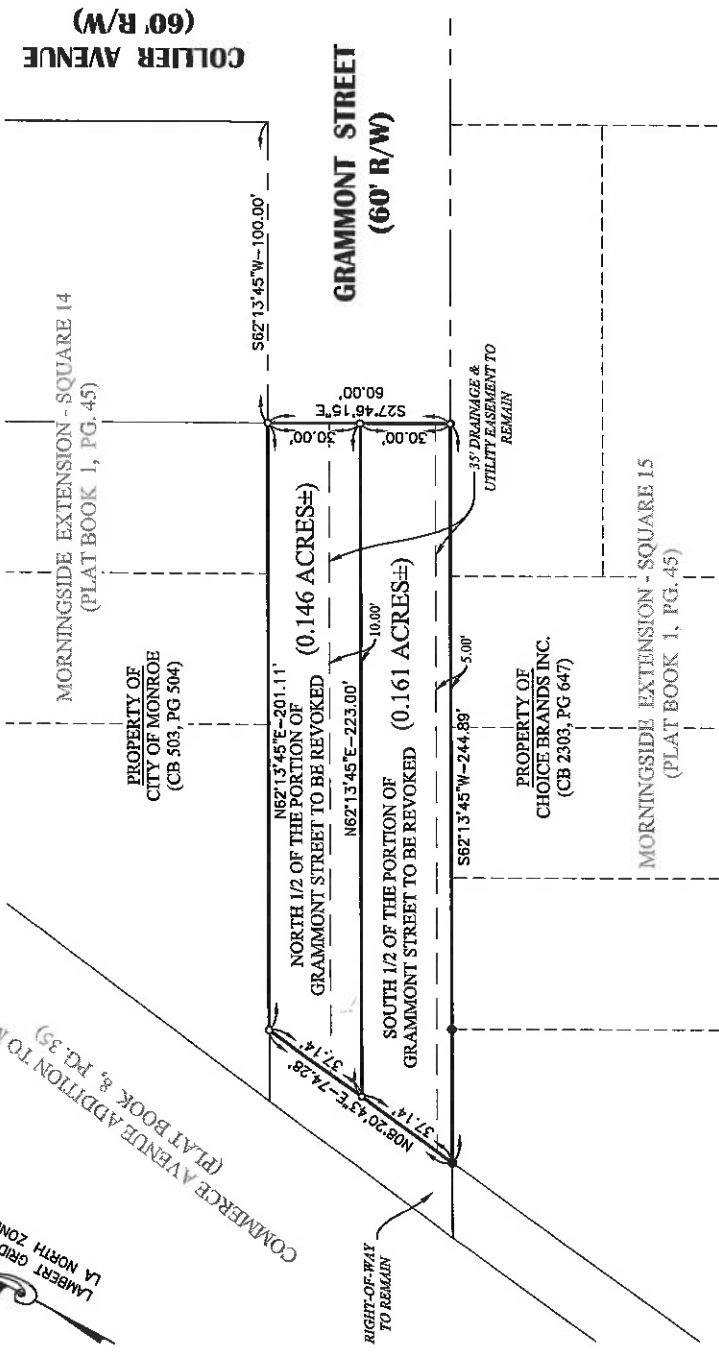

1. Approve the revocation of a portion of Adams Street, as presented.
2. Deny the revocation of a portion of Adams Street, as presented.

PRESENT ZONING: B-3 (General Business/Commercial) District

PRESENT USE: Existing retail goods establishment

This store is not close to any churches, schools, libraries or playgrounds. Planning and Zoning has received verification from the Engineering Department of the distance from the store to the church.

This approval will expire six (6) months from the date of approval if a Certificate of Occupancy and all required permits are not applied for and work has begun.

OPTIONS:

Approve the applicants' request as presented.

Approve the applicants' request with conditions.

Deny the applicant's request as presented.

REVIEW CRITERIA:

The Planning Commission and the City Council shall consider the following criteria in approving or denying a major or minor conditional use permit:

- a. The proposed major or minor conditional use permit is consistent with the pertinent elements of the City of Monroe Comprehensive Plan and any other adopted plans.
 - *General Business/Commercial*

This is a predominately commercial area that serves nearby residential and mixed-use areas.

This category is intended to provide sufficient space in appropriate locations for a wide variety of commercial and miscellaneous services activities, generally serving a wide area and located along any major arterials. Commercial uses should be compatible with medium to large-scale, auto or pedestrian-oriented commercial uses and strip commercial developments. Institutional uses that are compatible and complimentary to the surrounding neighborhood may be considered, such as churches, schools, libraries, and daycare facilities. Additionally, infill development for commercial use should be encouraged.

- a. The proposed development meets the requirements of this Ordinance.
- b. The proposed development will reinforce the existing or planned character of the neighborhood and the City.
- c. The major or minor conditional use permit complies with any specific use standards or limitations in Section VI (Supplementary Use Standards) of this Ordinance.
- d. Any adverse impacts on adjacent properties attributable to the major or minor conditional use have been minimized or mitigated.
